VETERANS BUILDING SURVEY

The Akicita Lakota Veterans have a Veterans building which is located at the Casino. Currently the building is used as a gathering place for Veterans. We have recently established a gathering place in Pine Ridge and would now like to repurpose the casino Veterans building in a way that would best benefit our Veteran community and services.

We are asking our Veteran community for their input in deciding what we want to do with the building. Ideally the building would be used to generate enough funding to help pay utilities, however, all inputs will be considered in our final decision.

Complete form online using the QR code below, or email admin@ALVeterans.org, or text your options and comments to 605-454-0705.

Which way(s) would you like the Veterans building to be used?*

- A) Keep it for the original purpose where Veterans can come over and hangout
- B) Develop a convenience store, using the profit to fund all Veterans Pine Ridge organizations
- C) Use it as a Veterans Museum
- D) Develop a kid’s game and play space for hourly drop-in childcare
- E) Rent it out: *what purposes would you like to see the building rented for?* _____

F) Other Ideas:

Thank you for your input! Open discussion and final decisions will be made on Sunday Oct. 6th following the 10 am Veterans Hour on KILI in the Pine Ridge Akicita Lakota Veterans building, all Veterans are welcome to come and join us for discussion. Visit www.ALVeterans.org for directions and contact information.
